Re: Letter of Support

To Whom it May Concern:

Livingston Associates is pleased to provide this letter of support for The Urban League of Rochester and its partners for its application for the Monroe County American Rescue Plan Act Funding Opportunity, with an emphasis on Workforce Development & Economic Recovery.

Since 1965, The Urban League of Rochester has been a leading organization advocating for equity and inclusion, while enabling African Americans, Latinx, the poor, and other disadvantaged populations to secure economic self-reliance, parity and power, and civil rights. With over 25 different programs within Workforce Development, Youth & Education, Family Services, Developmental Disabilities and Business Development, the Urban League of Rochester continues to be at the forefront of the creation and sustainment of intergenerational wealth and progressive opportunity.

Over the past two and a half decades, Livingston Associates has become a trusted resource within the Greater Rochester Area with a record of continual impact and accomplishment within the construction industry. In an industry such as construction, its personnel are the ones physically building our hospitals, educational institutions, and the infrastructure we utilize every single day, brick by brick. Placement and cultivation of our local workforce is singlehandedly one of the most important pillars in building a strong economy and sustainable community.

Since the onset of COVID alone, Livingston Associates has successfully placed over 500 individuals with various employers throughout the Rochester area. These efforts have helped to empower innumerable families, all while enhancing the strength and diversity of our local construction community.
