Honorable Legislators:

I recommend that Your Honorable Body accept a grant from the New York State Office for the Aging in the amount of \$2,657,852 for payment of expenses to respond to the COVID-19 public health emergency and its negative impacts for the period April 1, 2021 through September 30, 2024.

The New York State Office of the Aging was awarded funding under several sections of the American Rescue Plan Act, from which Monroe County is a sub-recipient, to address pandemic response needs and rebuild a stronger, more equitable economy as the country recovers. Under New York State's Major Disaster Declaration, these funds can be used for any eligible service for older adults, individuals with disabilities of any age, and informal caregivers during the covered period. Once the Major Disaster Declaration is lifted, the allowable services under each portion of the grant will be the same as the allowable services under the corresponding part of Title III funding. Those services are: supportive services (Title III-B), congregate meals (Title III-C-1), home delivered meals (Title III-C-2), preventive health (Title III-D), and family caregivers (Title III-E).

Matching funds ranging from 0% to 25%, specific to the relevant Title III requirement, will be provided by the United Way, contracted agencies and the County via participant contributions.
