Monroe County Legislature

ROBERT COLBY
LEGISLATOR – DISTRICT 20

September 13, 2021

To the Honorable
Monroe County Legislature
407 County Office Building
Rochester, New York 14614

Subject: Authorization of Intermunicipal Agreement with the Spencerport Fire District for the Purchase of a LUCUS Automated Chest Compression Device

Honorable Legislators:

Over the past year, our local first responders have been forced to work on the frontlines of a global pandemic whilst administering life-saving procedures in close contact. Despite an airborne illness and expert recommendations of six-foot distancing, masking, and more, local first responders are often encountered with situations where these safety measures are unattainable in full. Regardless, our fire departments, law enforcement agencies, and EMTs have continued their passionate public service throughout.

While we have all worked to ensure their protection through allocations of PPE and other support, there is much room for growth and improvement. On top of the current pandemic induced dangers, many of our volunteer first-responder agencies are faced with lowering staff numbers and dwindling finances. This has resulted in an increased need to modernize and improve our life-saving strategies.

Technology has allowed for great improvements to be made in the sphere of such life-saving devices. In CPR, there are new devices, such as the LUCUS Chest Compression System, that can be utilized for automated active compression/decompression in those suffering cardiac arrest. The device has a multi-faceted benefit to fire responders including increased ability to meet COVID-19 infection mitigation recommendations, and based upon available clinical evidence, use of the LUCUS device results in greater effectiveness, less injury to CPR recipients, increased ROSC rates and improved survival with good neurological outcomes, increased blood flow to the brain and sustainment of coronary perfusion pressures and less interruptions.

Utilizing the once-in-a-lifetime funding available to municipalities across America, over 2,000 LUCUS device systems have been purchased utilizing CARES Act and ARPA funding. Locally, both Eden Emergency Squad and Erie County EMS have received funding allocations for the purchase of the same device. The Spencerport Fire District seeks to join in this nationwide modernization to improve its effective, safety and future success.

The specific legislative actions required is to authorize the County Executive, or his designee, to execute an intermunicipal agreement with the Spencerport Fire District for the Purchase of a LUCUS Automated Chest Compression Device in an amount not to exceed \$19,507.75 for the period September 1, 2021 through December 31, 2021.

This is a Type II Action pursuant to 6 NYCRR 617.5(c) (26) (“routine of continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment”) and is not subject to further review under the State Environmental Quality Review Act.

Funding for this agreement is included in the 2021 operating budget, general fund 9001, funds center 120907100.

Respectfully Submitted,

Robert Colby

Subject: Authorize Intermunicipal Agreements with Municipalities for Rochester-Monroe County Youth Bureau Programs in 2021

Honorable Legislators:

I recommend that Your Honorable Body authorize intermunicipal agreements with municipalities for Rochester-Monroe County Youth Bureau Programs related to the currently approved Child and Family Services Plan in a total amount not to exceed \$184,056 for the period of January 1, 2021 through December 31, 2021. The list of municipalities, along with a description of the youth services each will provide and the breakdown of funding to each, is in Attachment A.

The Rochester-Monroe County Youth Bureau enters into approximately twenty (20) intermunicipal agreements each year. The New York State Office of Children and Family Services makes available recreation and youth services funds for all towns and villages via a pass through to local counties. Allocation ceilings are determined through a formula, based on the youth population of each town or village, provided by the state. The recreation and youth services programs to be provided are available to all youth that reside in the respective towns and villages. Recreational programs include a variety of athletic, social, artistic, and cultural events. Youth services programs include youth and family counseling, after-school programs, leadership development, and employment readiness workshops. This year's funding remains unchanged from last year's funding.

Programs will be evaluated consistently and continually through three methods utilized by the Youth Bureau, documented in its Monitoring and Evaluation Systems Procedures Manual. These methods include: 1) self-report, requiring agency submission of three (3) different self-report instruments; 2) yearly outcome evaluation assessment of contract outcomes; and 3) expenditure review. These contracts will allow for the provision of a comprehensive range of youth services and programs by the municipalities specified in Attachment A.

The specific legislative actions required are:

1. Authorize the County Executive, or his designee, to execute intermunicipal agreements, and any amendments thereto, with each municipality listed in Attachment A for Rochester-Monroe County Youth Bureau Programs related to the currently approved Child and Family Services Plan in a total amount not to exceed \$184,056 for the period of January 1, 2021 through December 31, 2021.
2. Authorize the County Executive, or his designee, to execute any applications, contracts, agreements and amendments thereto, with New York State and/or the municipalities listed in Attachment A to increase or decrease the agreement amount and to extend length of the agreement(s) in order to maximize state reimbursements for these purposes.

(585) 753-1000 • fax: (585) 753-1014 • www.monroecounty.gov • e-mail: countyexecutive@monroecounty.gov

3. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, and to make any necessary funding modifications within the grant guidelines to meet contractual commitments.
4. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with the New York State Civil Service Law, and when applicable, the terms of any labor agreement affecting such positions.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

Funding for these agreements is included in the 2021 operating budget of the Department of Human Services, Monroe County Youth Bureau, general fund 9001, funds center 5603010000, Youth Contracts.

Funding for these agreements is 100% reimbursable by the Office of Children and Family Services. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive

Subject: Authorization for Intermunicipal Agreements and Contracts with Schools in Monroe County for COVID-19 Testing

Honorable Legislators:

I recommend that Your Honorable Body authorize intermunicipal agreements with local school districts and contracts with private and charter schools to fund COVID-19 testing programs in those schools. Such testing programs will support schools in maintaining in-person learning and protecting the well-being of students, faculty, staff, and the community.

Two sources of funding are available for the County to support school COVID-19 testing programs. As Your Honorable Body is aware, Coronavirus Aid, Relief, and Economic Security ("CARES") Act funds may be utilized to support such programs. Further, on September 14, 2021, pursuant to Resolution 310 of 2021, Your Honorable Body authorized the acceptance of a grant in the amount of \$15,913,290 from Health Research, Inc. for the Epidemiology and Laboratory Capacity Reopening School Program to enable local health departments to support COVID-19 screening and testing programs in schools (the "ELC Grant").

In order to expand our community's response to the COVID-19 pandemic and support schools in providing safe, in-person education, this referral would authorize agreements with all Monroe County schools serving students in grades P-12 in an aggregate amount not to exceed \$16,000,000 in CARES Act and ELC Grant funding for COVID-19 testing during the current school year, July 1, 2021 through July 31, 2022.

The specific legislative action required is to authorize the County Executive to enter into intermunicipal agreements with all Monroe County public school districts, including BOCES programs, and contracts with private and charter schools serving students in grades P-12 for the purpose of reimbursing necessary expenditures related to the testing of students, faculty, and staff for the COVID-19 virus, for the period July 1, 2021 through July 31, 2022 in an aggregate amount not to exceed \$16,000,000.

This is a Type II Action pursuant to 6 NYCRR §617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

Funding for these agreements is included in the 2021 amended operating budget, general fund 9001, fund center 1209070100, State of Emergency, and general fund 9300, fund center 5809010000, Public Health preparedness.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Adam J. Bello
