**Subject:** Authorize an Intermunicipal Agreement with the Town of Kendall and the Town of Hamlin Related to the Lake Ontario Resiliency & Economic Development Initiative (REDI) – Kendall REDI Wastewater Infrastructure Project

Honorable Legislators:

I recommend that Your Honorable Body authorize an intermunicipal agreement between the County of Monroe, the Monroe County Northwest Quadrant Pure Waters District (“District”), the Town of Kendall, and the Town of Hamlin related to the Lake Ontario Resiliency & Economic Development Initiative (“REDI”) – Kendall REDI Wastewater Infrastructure Project (“Project”).

This Project seeks to address flooding that occurs during high water events that has the potential to inundate septic systems and cause environmental and public health issues at properties along the Lake Ontario shoreline in the Town of Hamlin, Monroe County, and the Town of Kendall, Orleans County. The Town of Kendall is the lead municipality for this Project, and was awarded a grant for \$9,053,000 by the State of New York through the REDI program. The proposed Project involves constructing sanitary sewer systems in the Towns of Kendall and Hamlin to collect and convey wastewater flow from approximately 414 affected properties to the District for treatment at the Northwest Quadrant Water Resource Recovery Facility (“WRRF”). The proposed flow and loading are within the permitted capacity of the Northwest Quadrant WRRF and will not affect the capacity to accept future flow and loading from the District. The District will not be responsible for any capital expenditure related to the Project. The District will charge customers in the Town of Hamlin the annually-established District Operation & Maintenance and Capital rates. The District will charge the Town of Kendall on an annual basis for services based on the number of its connected customers and the aforementioned District rates.

**The specific legislative action required is to authorize the County Executive, or his designee, to execute an intermunicipal agreement, and any amendments thereto, with the Town of Kendall, the Town of Hamlin, and the Northwest Quadrant Pure Waters District related to the Lake Ontario Resiliency & Economic Development Initiative (REDI) – Kendall REDI Wastewater Infrastructure Project.**

This action is a Type I Action under the New York State Environmental Quality Review Act ("SEQRA"). The Town of Kendall served as Lead Agency for a coordinated review and found that the proposed action will not result in any significant adverse environmental impacts. The Town of Kendall issued a Negative Declaration on March 16, 2021 for this action and no further action under SEQRA is required.

This agreement will have no impact on the revenues or expenditures of the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,  

Adam J. Bello  
Monroe County Executive

Subject: Authorize an Intermunicipal Agreement with the Town of Greece for Sidewalk
Installation in Conjunction with the Highway Preventive Maintenance #9 Project in
the Town of Greece

Honorable Legislators:

I recommend that Your Honorable Body authorize an intermunicipal agreement with the
Town of Greece for reimbursement to Monroe County of appropriate design and construction
costs relating to the installation of sidewalks in conjunction with the Highway Preventive
Maintenance #9 project in the Town of Greece in the estimated amount of \$140,000, with the
final amount to be determined upon project completion.

This project involves the improvement of Long Pond Road between Ridgeway Avenue and
Janes Road. The work includes milling and resurfacing of the existing roadway, drainage
improvements, curb repairs, sidewalk ramp upgrades, minor traffic signal work, and application of
new epoxy pavement markings. During the design for the Highway Preventive Maintenance #9
project, the Town of Greece expressed an interest in the installation of sidewalk on the west side of
Long Pond Road between English Road and Brandon Circle, and reimbursing the County for the
appropriate costs relating to this work. Subsequently, the County included this sidewalk work in the
final design for the Highway Preventive Maintenance #9 project and this contract will allow the
Town of Greece to reimburse the County for its share of all costs relating to the sidewalk
installation. The Town's share is estimated at \$140,000 and the project's total anticipated
construction cost is \$5,550,000.

The specific legislative action required is to authorize the County Executive, or his
designee, to execute an intermunicipal agreement, and any amendments thereof, with the Town
of Greece for reimbursement to Monroe County of appropriate design and construction costs
relating to the installation of sidewalks in conjunction with the Highway Preventive Maintenance
#9 project in the Town of Greece in the estimated amount of \$140,000, with the final amount to
be determined upon project completion.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(2) (“replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site”) and is not subject to further review under the State Environmental Quality Review Act.

Funding for this agreement, consistent with authorized uses, is included in capital fund 1978 and any capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello  
Monroe County Executive
