LEGISLATOR – DISTRICT 18

To The Honorable
Monroe County Legislature

Subject: Convening the Compensation Policy Commission

Honorable Legislators:

We recommend that this Honorable Body convene the Compensation Policy Commission. This Commission will compile and review data, deliberate, and make recommendations to this Honorable Body regarding the compensation to be paid to Monroe County elected officials.

It has been many years since a Compensation Policy Commission conducted a comprehensive review of the salaries of Monroe County’s elected officers. The Commission will review available data, including data from peer counties and other municipalities, to make recommendations regarding an appropriate salary range. The Commission will prepare a written report of its recommendations.

The specific legislative action required is to adopt a resolution convening the Compensation Policy Commission pursuant to Section C2-11(D) of the Monroe County Charter.

The legislative action requested in this referral is not an “Action,” as that term is defined in 6 NYCRR § 617.2(b), and is not subject to review under the State Environmental Quality Review Act.

The adoption of this referral will have no impact on the revenues or expenditures of the current Monroe County budget.

Sincerely,

Steve Brew
Monroe County Legislator
