WHEREAS, the Administrative Board of the Northwest Quadrant Pure Waters District No. 1 has, pursuant to §266 of the County Law of the State of New York, and Resolution Nos. 417 and 418 of 1973, and Resolution No. 449 of 1976, called a public hearing, said hearing having been held on the ____ day of December, 2021, at ____ p.m. ET.

NOW, THEREFORE, BE IT RESOLVED BY THE PURE WATERS ADMINISTRATIVE BOARD OF THE NORTHWEST QUADRANT PURE WATERS DISTRICT, as follows:

Section 1.

SCALE OF CHARGES

These Scales of Charges shall be effective commencing January 1, 2022.

NORTHWEST QUADRANT PURE WATERS DISTRICT
Operation and Maintenance Charge

Operation and Maintenance Charge for properties Receiving Local
Collection System Services

\$1.97 per 1,000 gallons of water consumption (see Notes 1-3).

1. This charge is based upon recent historic water consumption reflecting normal domestic waste water. It will be adjusted for industrial and commercial users based on the quality of sewage and additional cost of treatment.
2. This charge is subject to change based on financial obligations of the District.
3. This charge will be included in the 2022 County Tax Bill as a user charge. Accounts for which water consumption has not been calculated by November 1, 2021 will be billed at 60,000 gallons per unit for the user charge commencing January 1, 2022. All such bills unpaid as of October 1st will be transferred to the County Tax Rolls.

4. In-District and out-of-District agreements may be developed based on but not limited to loadings placed on the total sewerage systems pursuant to the Monroe County Sewer Use Law.

NEW USER CONNECTION FEES

The charges for regulating, permitting and connecting to a public sanitary sewer within the District are based on average costs incurred by the District for such new connections.

SEWER SURCHARGE - APPLICABLE TO ALL DISTRICTS

The owner or lessee of any parcel of real property connected with the District's Sewerage System and discharging any sewage, industrial wastes or other wastes containing acceptable pollutants imparting characteristics that exceed the maximum values established for normal sewage shall be surcharged. The surcharge reimburses the District for increased cost of treating said effluent. The charge shall be arrived at by multiplying the charge for normal sanitary sewage by the surcharge factor. The formula for finding the surcharge factor is as follows:

$$S.F. = \frac{a(BOD-300)}{300} + \frac{b(SS-300)}{300} + \frac{d(P-10)}{10}$$

LOCAL LAW NO. ____ OF 2021

ENACTING A LOCAL LAW ENTITLED "REGULATING SALE OF USED CATALYTIC CONVERTERS"

BE IT ENACTED BY THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. Part IV, General Local Laws of Monroe County, is hereby amended to add a new chapter to include the following Local Law:

CHAPTER 385, REGULATING SALE OF USED CATALYTIC CONVERTERS

§ 385-1. Title.

This Chapter shall be known as the law "Regulating Sale of Used Catalytic Converters."

§ 385-2. Legislative Intent.

- A. This Legislature hereby finds that the County of Monroe has experienced an increase in thefts of used catalytic converters from vehicles in our community and their resale to scrap metal recyclers.
- B. This Legislature finds that requiring scrap metal recyclers doing business in Monroe County to delay payments to sellers of used catalytic converters for at least 14 days after receipt will allow law enforcement additional time to investigate the theft of used catalytic converters and discourage criminal conduct.
- C. This Legislature also finds that requiring scrap metal recyclers to maintain records of the purchase of used catalytic converters will aid law enforcement in the investigation of thefts of such devices.

§ 385-3. Purpose.

The purpose of this Chapter to discourage the theft of catalytic converters from vehicles in Monroe County by requiring scrap metal recyclers doing business in Monroe County to delay payments to sellers of used catalytic converters for at least 14 days after receipt and requiring scrap metal recyclers to maintain records of the purchase of such devices for three years in order to aid law enforcement in the investigation of the theft of such devices.

§ 385-4. Definitions. As used in this section:

- A. "Catalytic Converter" means a catalytic converter or other equipment or feature constituting an operational element of a motor vehicle's air pollution control system or mechanism required by federal or state law or by any rules or regulations promulgated pursuant thereto, as amended from time to time.
- B. "Repair Shop" means a business enterprise that repairs vehicles and is certified by the New York State Department of Motor Vehicles.

- C. "Scrap Metal Recycler" means a vehicle dismantler, salvage pool, mobile car crusher, itinerant vehicle collector or scrap processor doing business in Monroe County; but shall not include a dealer registered pursuant to section four hundred fifteen of the New York Vehicle and Traffic Law, an insurance company, a governmental agency, a person in whose name a certificate of title, registration or other ownership document has been issued for the vehicle from which the Used Catalytic Converter was removed, or a Repair Shop.
- D. "Used Catalytic Converter" means a Catalytic Converter that was previously installed in a vehicle and which has been removed from such vehicle in whole or in part.

§ 385-5. Prohibition.

No Scrap Metal Recycler shall purchase or take possession of, including for purposes of recycling or rebuilding, a Used Catalytic Converter from any person or entity other than a dealer registered pursuant to section four hundred fifteen of the Vehicle and Traffic Law, an insurance company, a governmental agency, a person in whose name a certificate of title or other ownership document has been issued for the vehicle from which the catalytic converter was removed, a Repair Shop, or a person registered or certified or issued an identification number for the vehicle under the Vehicle and Traffic Law.

§385-6. Maintenance of Records by Scrap Metal Recycler.

- A. Each Scrap Metal Recycler who purchases or takes possession of, including for purposes of recycling or rebuilding, a Used Catalytic Converter shall record the purchase of the Used Catalytic Converter documenting the date of purchase, the name of seller, the seller's address or, in the case that the seller is an individual, the seller's residence address by street, number, city, village or town, the seller's driver's license number or information from a government issued photographic identification card, if any, or by such description as will reasonably locate the seller, or, if the seller is a Repair Shop, the Repair Shop's New York State Department of Motor Vehicles certification number. Such record shall be preserved by the Scrap Metal Recycler for a period of three years from the date of receipt of the Used Catalytic Converter. Such records shall be available for inspection by any law enforcement authority with jurisdiction over the Scrap Metal Recycler.
- B. Each Scrap Metal Recycler shall cause the record of purchase of the Used Catalytic Converter to be signed by the seller or his or her agent. It shall be unlawful for any seller or agent to refuse to furnish such information or to furnish incorrect or incomplete information. The Scrap Metal Recycler shall make and retain a copy of the government issued photographic identification card used to verify the identity of the person from whom the Used Catalytic Converter was purchased or obtained and shall retain the copy in a separate book, register or electronic archive for three years from the date of purchase. Such records shall be available for inspection by any law enforcement agency having jurisdiction over the Scrap Metal Recycler.

§385-7. Payments.

Payments by any Scrap Metal Recycler to a business, agency or private citizen who turns in a catalytic converter for scrap will be issued through check, with a copy of the check being held by the Scrap Metal Recycler for three years from the date of disbursement. Such records shall be available for inspection by any law enforcement agency having jurisdiction over the Scrap Metal Recycler.

§385-8. Violations.

- A. Any person that violates this Chapter shall: (i) be guilty of a class A misdemeanor; and (ii) upon conviction thereof, shall be punished by a fine not to exceed \$300 for the first offense, \$500 for the second offense, and \$1,000 for each subsequent offense.
- B. This Chapter shall be enforced by any local law enforcement agency having jurisdiction over the Scrap Metal Recycler.

§385-9. Severability.

If any clause, sentence, paragraph, section or chapter of this local law shall be adjudged by any court of competent jurisdiction to be invalid, such determination shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, section or chapter thereof directly involved in the proceeding in which such adjudication shall have been rendered. This local law shall not supersede any applicable state or federal laws or regulations with regard to the subject matters set forth herein.

Part 3 Determination of Significance**

For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

The action is for the acquisition of a Fiber Optic Permanent Easement and does not include the physical alteration nor disturbance of the property. Although Part 1 of the EAF indicates there are archaeological resources and wetlands in the area, the proposed action does not include physical alteration of the site, and any future use of the property will need to be reviewed and consistent with the current zoning code and permitting requirements for Wetlands from state and federal regulatory bodies. Accordingly, it has been determined that no significant adverse environmental impacts will occur from this action.

<input type="checkbox"/>	Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.
<input checked="" type="checkbox"/>	Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action will not result in any significant adverse environmental impacts.

BE IT RESOLVED BY THE AFFIRMATIVE VOTE OF NOT LESS THAN TWO-THIRDS OF THE TOTAL VOTING STRENGTH OF THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. For the specific object or purpose of financing the cost of the reconstruction and improvement of portions of South Avenue, from Elmwood Avenue to Bellevue Drive and Elmwood Avenue, from Mt. Hope Avenue to South Avenue pursuant to Section 131-K of the Highway Law, in and for the County of Monroe, New York (the "County"), there are hereby authorized to be issued \$5,900,000 bonds of the County, pursuant to the provisions of the Local Finance Law. The duly adopted current Capital Budget of the County, to the extent inconsistent herewith, is hereby amended to provide for the appropriation of an additional \$500,000 to pay the cost of the aforesaid specific object or purpose (\$5,400,000 having been heretofore appropriated from one or more Capital Budgets). The period of probable usefulness of the aforesaid specific object or purposes is fifteen (15) years, pursuant to subdivision 20(c) of paragraph a of Section 11.00 of the Local Finance Law.

Section 2. The maximum estimated cost thereof is \$5,900,000, and the plan for the financing thereof is by the issuance of \$5,900,000 bonds of said County herein authorized, provided, however, that to the extent any state and/or federal aid and/or grant and/or gift is received for the aforesaid purpose, such aid shall be used to redeem any outstanding indebtedness incurred for such purpose or shall be applied, dollar for dollar, to reduce the amount of bonds to be issued for such purpose.

Section 3. The faith and credit of the County are hereby irrevocably pledged for the payment of the principal of and interest on such obligations as the same respectively become due and payable. To the extent not paid from rates, rents, or charges, there shall annually be apportioned and assessed upon the several lots and parcels of land within said District, in the manner provided by law, an amount sufficient to pay the principal of and interest on such obligations becoming due and payable in such year, but if not paid from such source, all the taxable real property of said County shall be subject to a tax sufficient to pay the principal of and interest on such obligations as the same become due and payable.

Section 4. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell the bonds and bond anticipation notes in anticipation of the issuance and sale of the bonds herein authorized, including renewals of such notes, is hereby delegated to the Director of Finance - Chief Financial Officer, the chief fiscal officer of the County under the Local Finance Law. The Director of Finance - Chief Financial Officer may sell such bonds or notes at public or private sale, at a discount or premium, at fixed or variable rates of interest or at no interest whatsoever, or as capital appreciation bonds,

and with such amortization of principal as the Director of Finance – Chief Financial Officer shall determine is most favorable to the County, and in compliance with any rules of the State Comptroller applicable thereto. Such bonds or notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said Director of Finance - Chief Financial Officer, consistent with the provisions of the Local Finance Law. The Director of Finance - Chief Financial Officer may, in the event it is determined to issue variable rate bonds or notes, enter into such agreements as said officer finds reasonable to facilitate the issuance, sale, resale and repurchase of such bonds or notes, as authorized under Section 54.90 of the Local Finance Law. The Director of Finance - Chief Financial Officer is also authorized to enter into such agreements and take such other action as may be necessary or appropriate and lawful to assure that, to the extent possible, (i) interest on the bonds and notes authorized hereby will not be includable in the gross income, for federal income tax purposes, of the recipients thereof, and (ii) to enable the purchaser thereof to comply with Securities and Exchange Commission Rule 15c2-12. The Director of Finance – Chief Financial Officer is hereby further delegated all powers of this County Legislature with respect to agreements for credit enhancement, derived from and pursuant to Section 168.00 of the Local Finance Law, for such bonds or notes, including, but not limited to the determination of the provider of such credit enhancement facility or facilities and the terms and contents of any agreement or agreements related thereto.

Section 5. All other matters, except as provided herein, relating to such bonds or notes, including prescribing whether manual or facsimile signatures shall appear on said bonds or notes, prescribing the method for the recording of ownership of said bonds or notes, appointing the fiscal agent or agents for said bonds or notes, providing for the printing and delivery of said bonds or notes (and if said bonds or notes are to be executed in the name of the County by only facsimile signatures, providing for the manual countersignature of a fiscal agent or of a designated official of the County), the date, form, denominations, maturities, interest rate or rates, terms of and manner of sale and interest payment dates, place or places of payment, and also including the consolidation with other issues, shall be determined by the Director of Finance - Chief Financial Officer.
