

IBTS Meeting Notes  
September 22, 2022

Attendance: Mike Allen (Chairperson), Steve Olufsen (Monroe County), Kerry Ivers (Penfield), Beth Gelhard (DEC); Josh Artuso (Webster), Pat Meredith (Monroe County Parks), Sgt. Mackenzie (MCSO)

Guests: Alison Mayer (Mayer Marina),

**Water Level Update**

IJC reported levels:

Ontario Lake Current: 244.59 (Average is 245.24)

Outflow 7640 cubic meters per second (Average 7610)

Supply 6340 cubic meters/sec (Average 6420)

Local Observations:

Conditions are low (Mayer Marina)

Boats are coming out of the water now even though the weather is still decent

**Meeting Notes:**

- Mike Allen added to the list of attendees.

**Project updates and reviews:**

Irondequoit

- No one in attendance to report.

Penfield

- Still waiting on DEC review of the REDI project design
- 1385 Empire dance studio construction underway
- 1200 Empire Blvd – still for sale
- 1506 Empire Blvd. – rezoning to LB was approved.
- 1221 Empire Blvd. – K2 Bros. Brewing renovation and deck/patio addition under review
- 41 Woodhaven Dr – Ancillary Parking approved (for K2 Brewing parking)

Webster

- Sand Bar park improvement continue; lake road realignment and raising is on schedule and should be done by bridge being put into place; flood wall will commence in spring 2023;
- Town's pump station and deconstruction will be done this year. Well houses have been removed. Concrete pads and pipes remain.
- Park components will continue during winter and into spring.
- Glen Edith 19k house construction is eminent. Dock construction is underway.

- 1008 Glen Edith violations (excavation and expansion of gravel path) still being addressed. Coordinating with DEC and property owner to restore the bluff. Dock was too long and not in the right location; contractor chopped the end of the dock off.
- 1016 Glen Edith – constructed a 125' dock with no permit from town or DEC
- 1030 Sunset Trail EPOD Permit – selective tree remove and cut for driveway access to a future home site they plan to build. DEC permits have been issued.
- Summit Drive project (extension of permanent dock and hoist) hasn't been constructed/modified yet
- 124 Dickenson Road has permits for dock and moorings that needs to be renewed
- Stony Point Marina pending application for use of herbicides to mitigate weeds – no update
- Lake Road (181 and 185) – pending applications for new homes
- Fish Island – new owner is attempting to navigate DEC approvals. Owner wants to rename the island, remove the bluff, expand the land (fill) and add electricity. Island is a coastal erosion hazard area and wetland

### **Harbor Management Plan Update**

Draft is in review by the DEC currently.

Small working group review some additional edits and additions that need to be sent to DEC.

### **Abandoned Boats**

Boat is still in the bay and hopefully will be removed this week.

MCSO is working on a plan to move the boat and relocate to salvage.

### **Other items:**

Sutter's Marina Project is complete,

### **Jet ski Recovery still in progress**

Reported conditions: Found the machine running and reported operator was wearing waders.

Observation: Operator might not have had a life jacket and lanyard wasn't being properly use.
